**MANAGEMENT  
SPEAKS**

Education during the 21st century has become more important and focused. The world we live in is changing & technology is improving at a very fast pace. As we speak, the world is already evolving in front of our eyes. The only way is to move ahead & get started from the point where others stop. Here at Harsha Institutions, we look to engage with our students in dynamic ways that keeps them immersed and enthralled by their curriculum. At Harsha Institutions, our trained group of teachers make sure that all our students are educated in a way that makes them ready to face the world, beyond the boundaries of school & college life. We focus not just on the curricular development of students, but also focus on their all-round development, ensuring that they grow to become exceptional individuals, who contribute to the growth of the world & making them ready global citizens. In all our activities at HI, we also ensure active involvements of parents, as the growth of students need equal efforts of the student, the institute and the parents. We stimulate growth of our students by cultivating the inborne talent that they possess and imbibe into them creativity & positivity to face the world and the challenges it poses to them as they grow. Our mission is thus, to provide superior preparation for students in fields of both education & the liberal arts, ensuring that they grow skills that are essential by providing them the support they need to nurture into greater & better versions of themselves.

I delightfully welcome you into the HIPS family. It is my vision to provide the world with motivated, responsible and disciplined youth, to shape a better future. I believe this can be achieved by strengthening their foundation upon which they can create a successful future for themselves and the society around them. At HIPS, we don't believe in preaching, instead we allow our students to experience, explore and experiment through various experiences. Integrating the Power of 7 in all aspects of the student's life at HIPS we ensure that students have stronger roots to grow upon. Along with the academic excellence and vast co-curricular opportunities, we provide our students with an exposure to the realities of the world. We sculpt them into competitive, empathetic, optimistic individuals who strive to succeed in every challenge they are faced with. We aim at ensuring that our comprehensive development programs provide students with an international learning experience, while preserving our core Indian values. With such qualities imbibed within them, our students are bound to "Arise, Awake, Ascend" to greater heights and lead the world towards a greater tomorrow.

## ABOUT US

Welcome to Harsha International Public School, a place where the foundation of your child's future is built by unlocking their potential and dreams in the fields of academics, art and play. Experience a serene, beautiful green campus and world-class facilities with an aesthetically driven state-of-the-art infrastructural design, that truly nurtures your child's inner potential, molding them into enduring learners, inculcating the morals & ethics that are vital to make them future ready, responsible citizens. We strongly believe in the power of collaborative approach to education, a strong involvement between the institution, parents, teachers and most importantly our students. In today's highly individualistic society, where people have lost sight of the benefits of working and learning from each other, at Harsha International Public School, each child is imbibed with a sense of belonging to a greater whole while their individual contributions are valued and cherished. We provide your child with a stimulating and safe environment to explore and express their ideas. The value of togetherness is imbibed in them while maintaining and honing their individuality. Our holistic learning methods, academic record & unmatched focus towards delivering quality education has helped us to be an esteemed Institution & an accredited leader in the education fraternity. Trust believes in true service and brings out qualified professionals who are the real strength of our Institution, Society and our Country.

We welcome you to the HIPS family, let your child explore & learn with us!

**VISION**

To nurture and develop the potentials in children and re-define education with holistic methodology, where each child possesses competencies such as problem solving, creativity, innovation, positive thinking, self-esteem and confidence to succeed in a "Global Economy".

Committed to be an exceptional school with a difference where our graduates will be cognizant, sensitive, reflective individuals who take pride in themselves and the nation, who will impact and influence a changing society with confidence and creativity. To provide a challenging, enriching and purposeful learning environment on a sustained basis in the belief that this engages students in maximum learning. Holistic, value-based self-development through nurturing life skills becomes the nucleus of this affirmative learning milieu.

**MISSION**

**VALUES**

We believe that each child is exclusive and has immeasurable potential. We provide multiple opportunities for students to discover and demonstrate their proficiency and develop their distinctive identities.
